KEYNOTE SPEAKERS

DAYS 1 & 2

Adam Kronk

*Director, DELTA Network
University of Notre Dame*

Michael Downs

*Bay Area Program
Director, DELTA
University of Notre Dame*

DELTA provides practical resources for scholars, faith leaders, tech leaders, teachers, journalists, young people, and the broader public to help navigate challenges posed by rapidly developing AI.

Addressing the topics of AI & Mission and Catholic Identity, Adam and Michael will help us understand our unique opportunity to look at the impacts of growing technological advances through the lens of Notre Dame de Namur Mission and Catholic Identity while discerning how we generate a thoughtful, just and human response in our learning communities and beyond.

**Sister Kristin Matthes,
SNDden**

*Leadership Team Member,
Ohio Province of the
Sisters of Notre Dame de Namur*

Through the lens of CliftonStrengths (a strengths-based assessment), discover how honoring the unique gifts of each person can strengthen community, encourage collaboration, and support the flourishing of all members of a school community.
